GRATITUDE

- ◆ We thank God for His faithful provision through every church and brother in the faith who had carried a sincere burden and commitment to support our seminary through their prayers and offerings.
- ◆ We are deeply grateful for your support in maintaining our educational platform throughout the year.

PRAYER SUPPORT

We ask for your prayers for these specific requests:

- ◆ By the grace of God, my wife and I will be traveling to several states in Mexico and to various countries in South America throughout this year and next. The purpose of these trips is to share the vision of SBL and to teach academic modules at local institutes and churches.
- ◆ We also ask for God's provision through your prayers and support for the general maintenance of SBL, audiovisual equipment, and for the blessing of student sponsorships.

It is by God's grace that we have now entered the final quarter of 2025. With heartfelt gratitude, we are delighted to share with you the many ways His faithfulness continues to bless our institution. Here are some meaningful moments from the past months:

AUGUST 22 '23

Banquet and Graduation of Our First Class.

Fourteen students from six different countries celebrated as the first graduating class of our seminary. These men and women have faithfully invested in their personal and ministerial formation, growing as leaders in their homes, churches, and communities. Today, eight are serving in pastoral ministry, boldly answering God's call.

The members of the SBL administrative body and faculty rejoiced in seeing how God's faithfulness was reflected in the students' dedication and commitment.

SEPTEMBER 08

The Third Quarter Begins.

Our third and final quarter of the year has officially begun. We are delighted to welcome new students and see our alumni faithfully returning to continue their academic journey. This quarter, we are offering ten fully live classes, taught by ten dedicated instructors who are simultaneously serving in their local ministries across four different countries.

AUGUST 29 - SEPTEMBER 09

Outreach and Enrollment

I had the privilege of traveling to four different states in Mexico to share the seminary's mission. God graciously allowed me to receive the support and active engagement of many pastors and their congregations. Twenty of the new students enrolled this quarter were a direct result of these visits, as I had the opportunity to mentor them personally.

Day by day, we witness God's hand work for the good of our seminary, continually inspiring us to serve Him with excellence and steadfast conviction.

Thank you for taking the time to read this letter. SBL deeply appreciates your faithful support and continued interest.

We remain always at your service and in partnership with your local church.
